

## Your Monthly Gift ...Their Golden Years

On January 29th, 2016, nearly 200 hopeful seniors, who on average survive on a fixed income of \$800 - \$1,000 a month, stood in line to apply for affordable residency at the *Golden Inn & Village*.

This translates to *more than three times the applicants* than available units at this time.

As a *GIVING Hope Sustaining Donor* your ongoing support for our seniors in need will be

*Convenient*  
*Consistent*  
*Continual*

and will help to fulfill our community's commitment to *"taking care of our own."*

*"This project is one of the best projects the County has seen in years..."*

- Santa Barbara Planning Commission

Planning and development is now underway for the *Golden Inn & Village's* Phase II: construction of 60 affordable and critically needed Assisted Living and Memory Care units.

At present, there are no federal programs that address the prohibitive cost of Assisted Living and Memory Care.

*With your support*, we envision these prototypical scholarship-funded/below market rate Phase II units as a "what works" model, that can be replicated across the county, state, and nation.

Thank you for

## GOLDEN INN & VILLAGE GIVing Hope Sustaining Donor Program

The *Golden Inn & Village* (GIV) is Santa Ynez Valley’s first affordable “aging in place” senior housing and residential care campus.

GIV’s Phase I will be a place to call home for independent, low-income seniors in our community, including eligible veterans.

*Your support is needed now!*

The *Golden Inn & Village* is scheduled to roll out welcome mats for our Phase I residents Fall 2016.

Become a *GIVING Hope Sustaining Donor* and help us provide our local vulnerable seniors with healthy living and educational enrichment programs above and beyond those offered elsewhere.
